

Pro Math 2015

Halle

International Conference Problem Solving in Mathematics Education

to be held in
Halle, Germany
at the University of Halle-Wittenberg,
Faculty of Educational Sciences

03.09.2015 - 05.09.2015

First Announcement

Invitation

It is my pleasure to invite you to participate on the 17th conference on Problem Solving in Mathematics Education, Pro Math 2015, organized by the *University of Halle-Wittenberg, Faculty of Education*.

The conference is to be held from 03 September to 05 September 2015 at the Institute of Teacher Education, Franckeplatz 1 (Building 31).

The main theme of ProMath 2015 is

Learning through Problem Solving

Call for papers

Papers may be of two types:

- Research papers which have a rigorous theoretical underpinning.
- Papers from teachers and others on research / experimental work which has been done in the classroom

ProMath 2015 organizers: Prof. Dr. Torsten Fritzlar, University of Halle-Wittenberg, Halle, fritzlar@promath.org
Dr. Ana Kuzle, visiting professor at the University of Osnabrück
Prof. Dr. Benjamin Rott, University of Duisburg-Essen, Essen
Daniela Aßmus, Dr. Kerstin Bräuning, Denise Lenz, Stefanie Müller-Heise, University of Halle-Wittenberg, Halle

Conference language: English

Website: At the conference website www.promath.org you can obtain updated information.

Deadlines: If you plan to participate on the Pro Math 2015 conference, the registration form must be in hands of the organizers not later than **July 10th, 2015**.
If you are interested in presenting a research report, an abstract has to be submitted not later than **May 31st, 2015**.
