Invitation

It is my pleasure to invite you to participate on the nineteenth conference on Problem Solving in Mathematics Education, Pro Math 2017, which is to be held from 30 August to 01 September 2017 at the Eötvös Loránd University of Budapest.

The ProMath 2017 conference is also the annual meeting of the working group Hungary (Arbeitskreis Ungarn) of the Society of Didactics of Mathematics (Gesellschaft für Didaktik der Mathematik).

The main theme of Pro Math 2017 is

“Problem Solving teaching – research and practice”

The conference comprises presentation of research reports, theoretical considerations, poster exhibitions and discussion groups.

Pro Math 2017 organizer: András Ambrus, Gabriella Ambrus, Eötvös Loránd University of Budapest, Ödön Vancsó, Eötvös Loránd University of Budapest, head of Mathematics Teaching and Education Center

Call for papers

This is an invitation to colleagues who wish to present their paper at the conference. Papers may be of two types:

- Research papers which have a rigorous theoretical underpinning.
- Papers from teachers and others on research/experimental work which has been done in the classroom

Conference language: English

Conference support

We ask the participants to support the conference proceedings with 20 Euros. It shall be paid on the conference by cash.
