## Important notes:

The rooms are reserved until August 15th. **The prices are for a night per person**, both for single and double rooms. To reserve a room you should send an email to Maja Cindric ([mcindric@unizd.hr](mailto:mcindric@unizd.hr)) with subject "ProMath 2016 reservation" specifying where you want to stay and type of the room. You will then get a confirmation email from her. If you book a single room and they are none available any more, you will be given a double room for the price of a single room. If you want a double room, you should share it with someone, otherwise you have to pay the price of a single room. In other words, you get a cheaper deal when two people sleep in a double room.
